

## FAST FACT....

One if every 177 homes in the U.S.

are in foreclosure...

**90%** of those could have been avoided by just an **extra \$400 a month** added to their income.

You can earn an average of **\$100** per Tupperware party, which is a **3 hour** investment of your time.

***Do you know someone who can use an extra \$100 per week?***
